We present
the

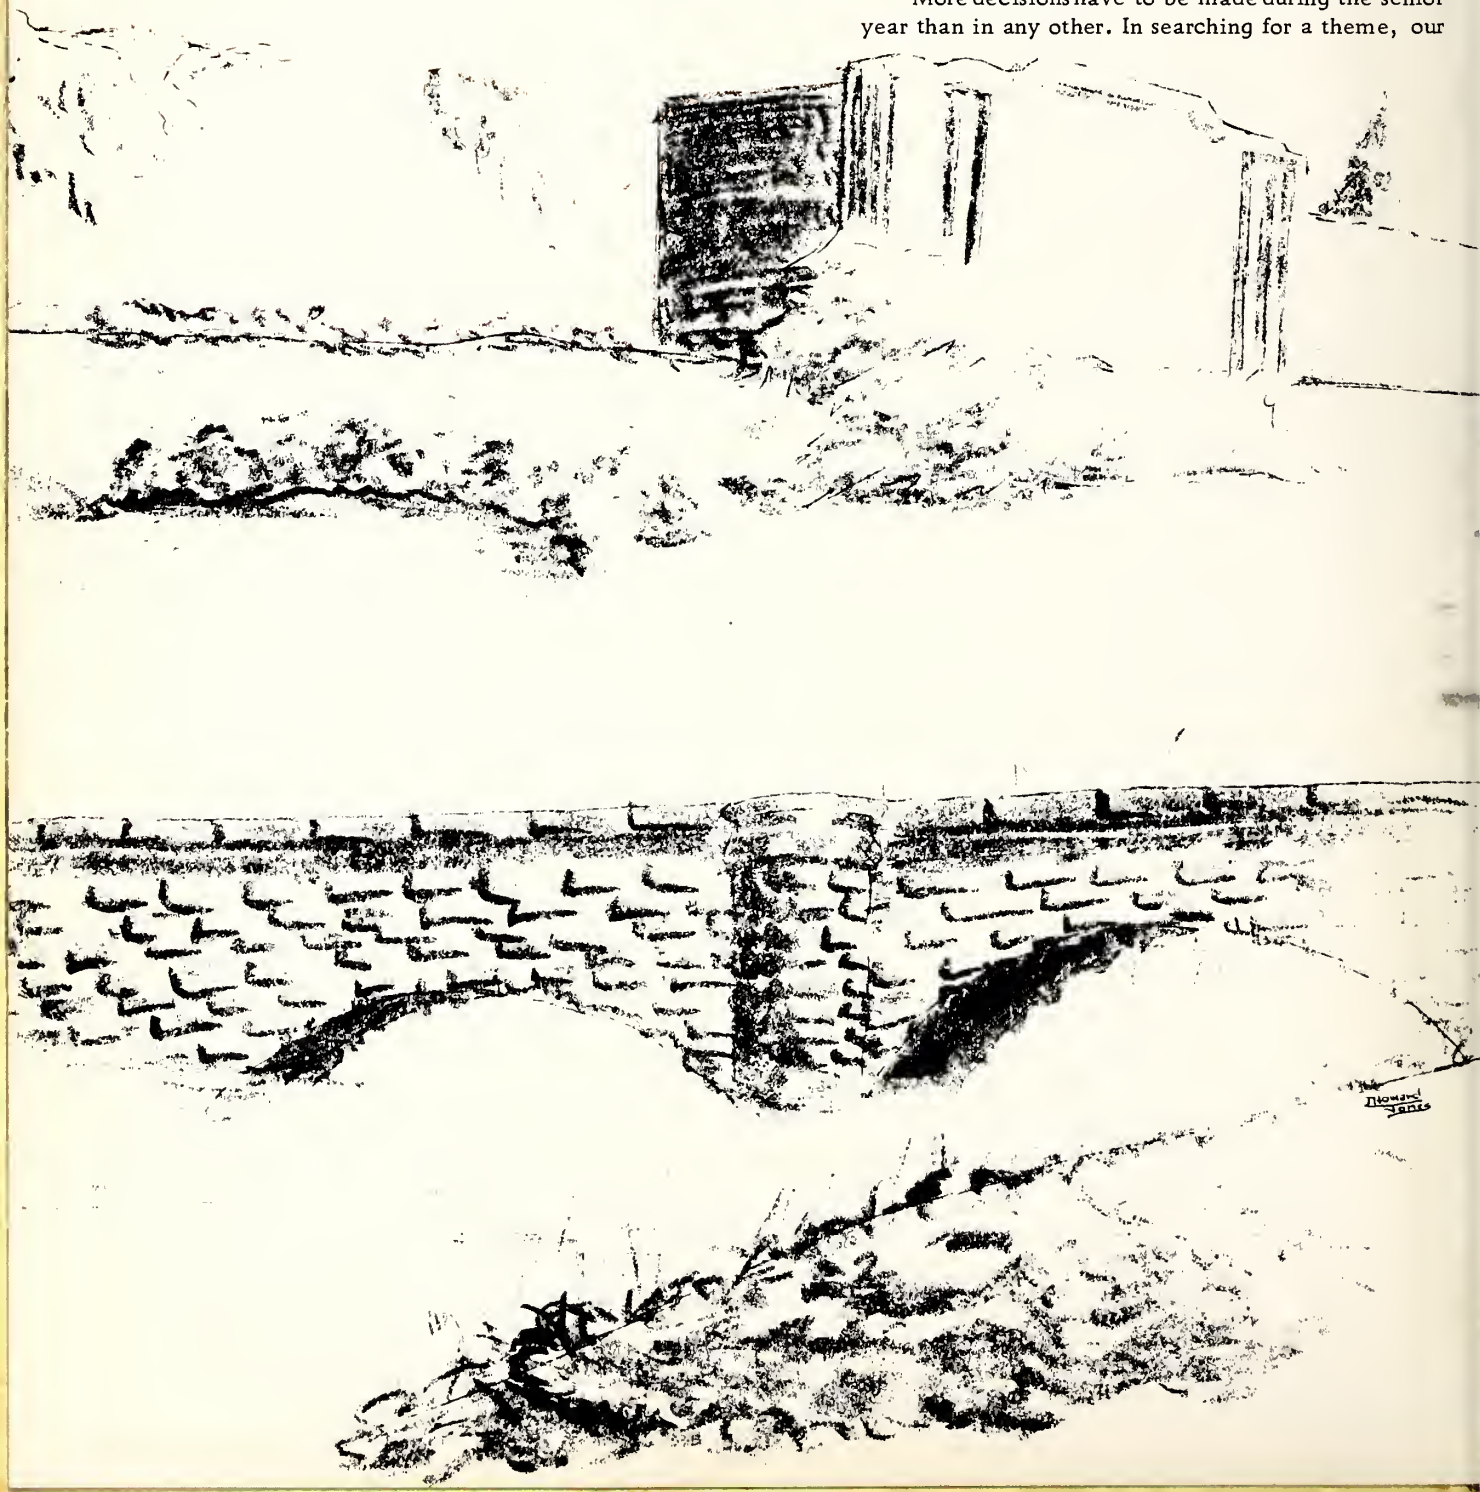

1961
Grannawayne

Grantham High School
Goldsboro, North Carolina

As the experiences that we seniors have shared for the past twelve years gradually turn to memories, the scenes around Grantham High become more precious than ever to us. As we are about to step off the worn steps of this familiar building onto a flight which will lead us into a future unforeseen, we realize how valuable every moment here with our classmates and friends have been. It is these moments filled with seriousness and gaiety, triumph and defeat, hard work and joyful play, that the members of our annual staff have tried to capture in the 1961 GRANNAWAYNE.

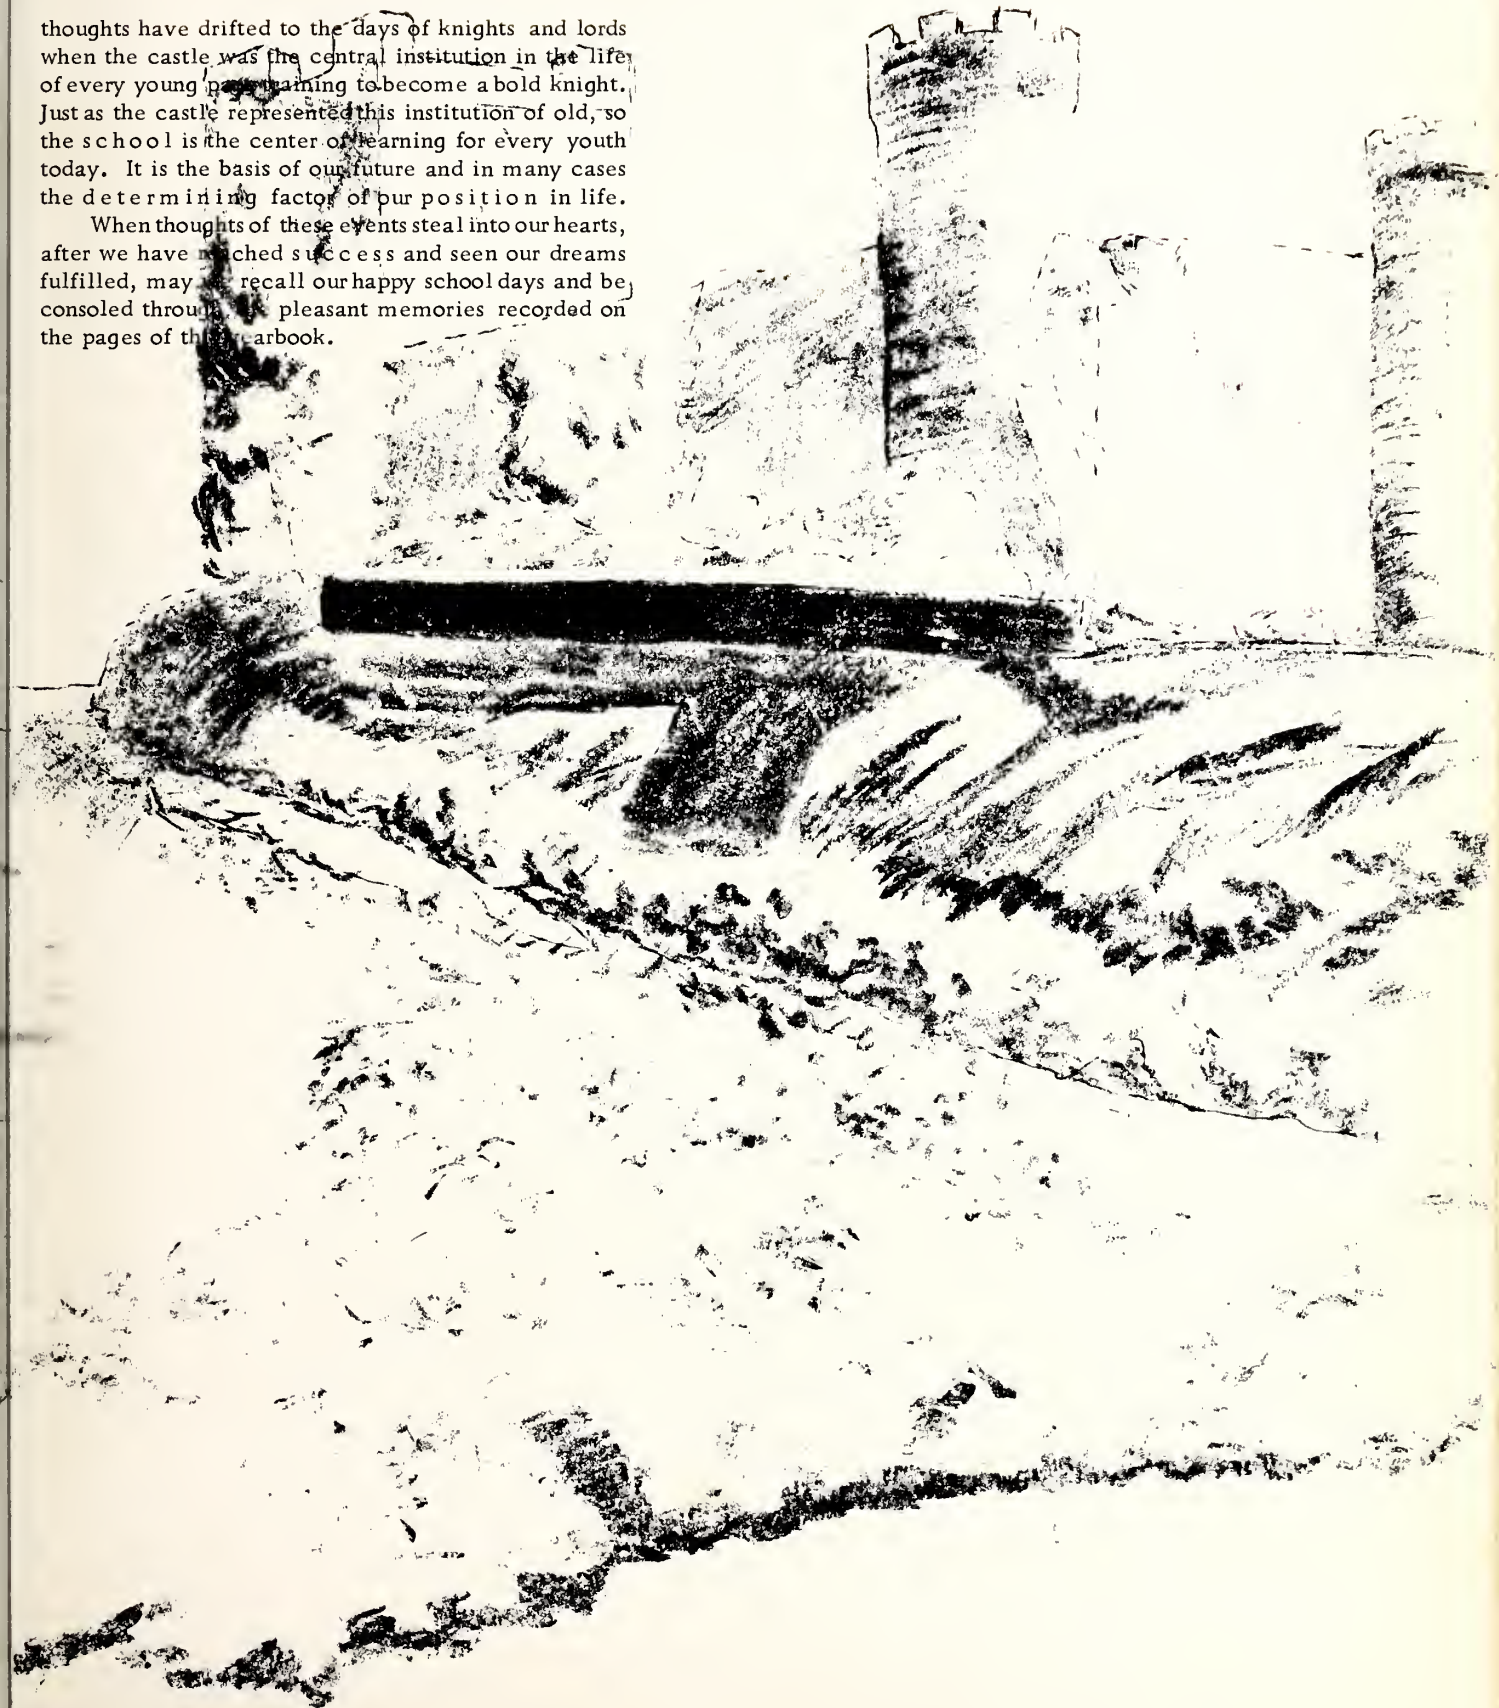

More decisions have to be made during the senior year than in any other. In searching for a theme, our

word

thoughts have drifted to the days of knights and lords when the castle was the central institution in the life of every young person training to become a bold knight. Just as the castle represented this institution of old, so the school is the center of learning for every youth today. It is the basis of our future and in many cases the determining factor of our position in life.

When thoughts of these events steal into our hearts, after we have reached success and seen our dreams fulfilled, may we recall our happy school days and be consoled through the pleasant memories recorded on the pages of this yearbook.

Stampede

"Cut the notches out."

We wonder what they are doing, do they?

"Which account should be debited?"

"Watch the horse play."

"What's for lunch today?"

Dedication

As we, the senior class of nineteen hundred and sixty-one, look back down the rugged path of life at the bridges we have crossed, we see the guiding hands of our parents who have faithfully led us along the path of right.

Because you have shown us the importance of an education and have sacrificed for our sake, because you have pulled us out of the ruts of discouragement when we seemed to be stuck, and have encouraged us to reach for higher goals, and because you have always stood beside us with understanding, patience, and kindness, we are proud to honor you with the dedication of the 1961 GRANNAWAYNE.

Although we know we can never repay the debt of love and gratitude we owe for your faith in us, we are happy to present this, our yearbook, to you as an expression of our appreciation for helping us to attain our long-awaited goal of graduation.

Class Poem

Here on the steps of Grantham High
We pause to think of the years gone by.
We've worked and studied in our past
And reached our goal as Seniors at last.

Twelve steps we've taken;
My, how we flew!
And as we progressed,
Our hopes really grew.

A part of our valuable time was spent
In just pure fun and merriment.
The halls we walked are nearly threadbare,
But we have spent some of our happiest moments there.

Our gratitude and hopes we leave
To our underclassmen in whom we believe.
Our parents we thank for patience strong
Knowing their guidance has kept us from wrong.

To our teachers, too, we owe a great debt
For they were behind the success we have met.
As graduation draws so near,
Perhaps we'll pause to catch a stray tear.

But the things we've done were not in vain.
Deep in our hearts, these treasures remain.
And when our spirits seem to wither,
We'll relive our days in high school together.

Class Prophecy

As I, MARY ALICE THIGPEN, listen to the peaceful sounds of the summer night and the majestic sounds of the restless sea, I cannot sleep because so many thoughts of the Senior Class seem to fill my mind. It seems just a short time ago that we began our first year at Grantham.

"Ouch! My bedfellow just kicked my sore, aching, sunburned back." After much tumbling and twisting, I slip from my bed, trying not to wake anyone and go quietly down to the seashore. Suddenly I stumble over a small shell--the oddest looking one that I have ever seen. Then once again thoughts of our Senior Class fill my mind, and I begin to think aloud.

"I wonder where each one will be ten years from now. Will we be as scattered as the shells along the seashore?"

Out of the stillness of the night, I hear a still small voice from the shell that I am carrying, and it says to me: "Shall I tell you what the members of the 1961 Class will be doing ten years from tonight?"

"W---W---Who are you; I stutter?"

"I am a magic shell, and I can tell the future."

"Please do," I say. As the magic shell begins to speak, I listen very carefully--

BOBBY CRAWFORD and BILLY CARTER, having graduated from N. C. State, are owners of huge farms, which have cows, little Crawfords, and little Carters.

JOHN JERNIGAN, another State graduate, is teaching Agriculture at Grantham High.

MARK HOOD, retired assistant coach, is on his Texas ranch raising horses.

JUDY DENNING is now a member of the W. C. College faculty.

DELTON GRADY, applying his FFA training is one of the outstanding Grantham farmers.

LA ROSE JACKSON, LOUISE BRADFORD, LETTY THORNTON, and JACKIE SUTTON are four wonderful homemakers. That smiling nurse coming out of room 309 is JANET LAWS. Who wouldn't get sick just for her to hold his hand?

Congratulations to PHYLLIS WEAVER, who has taken the position as manager of the New York Yankees.

Lower the gang plank, here come DAVID DUDLEY and DEWEY RAYNOR of the United States Navy.

ALVIN LAWS is sure to receive another gold record with his latest hit "Dodie Doe."

BARBARA PENNINGTON is on tour giving piano concerts throughout the United States and Canada.

CARROLL INGRAM is doing quite well for himself in his hardware store in Grantham Corner.

The top scientist of the day is none other than HOWARD JONES. Wonder if he has hit Pluto yet?

CAROL BEST is a bookkeeper, one of the best in town.

LOIS HOLLOMON, BETTIE BROCK, IRIS JOYNER, PAT BEST, LINDA BENSON are private secretaries and doing just great.

CHARLES MASSEY and family have moved to Raleigh, N. C., where he is a detective on the force.

GEORGE MOZINGO, chief engineer in San Francisco, is working on a big project, reconstruction of the Golden Gate Bridge.

MILTON BRITT, who always wanted to make a lot of money is doing just that, but it is one-tenth of an inch too large by government standards.

BETTY LOU DUNBAR is a secretary for the F. B. I.

JOE WILKINS, who is making the Army his career, is now stationed in Honolulu.

EUGENE HEAD, SHELTON JOHNSON, EDGAR HOOD, and GENE WELLS have re-enlisted in the United States Air Force.

JANET BYRD is a telephone operator in Goldsboro and is also a homemaker.

EVELYN HARE is still searchin' for that one in a million.

JOYCE HARRELL has finally secured a satisfied mind with several little minds to satisfy.

KITTY HILL is teaching math at Bath, N. C. and finds it intriguing.

Novelist, JEAN STRICKLAND, has just finished her latest novel, How to Raise Five Children for Fun and Profit.

MAX WARRICK and GRANGER BROCK have two of the largest businesses in town; new offices are located on Center Street in Goldsboro.

GAIL GRANTHAM is the new switch board operator in Hotel Goldsboro.

BOB WEAVER, has just enlarged his business by buying out Hasty-Plumbing in Mt. Olive.

KAREN SULLIVAN is doing well as a fashion model in New York.

SANDRA GRADY is kept busy with a family and secretarial work for a Goldsboro law firm.

MARY ALICE THIGPEN has been named Assistant State Supervisor of Home Economics.

As the magic shell concludes the future of everyone, the small light inside disappears, and suddenly I hear foot-steps which are none other than Janet's.

"Come on," she calls, "It's late and we have a big day tomorrow, so we had better get some sleep." As I run to meet her, I think how very unusual this night's experience has been.
